

# Hotel Rules

**Team Manager: Please provide a copy or discuss these rules with members of your group prior to arrival.**

**Our hotels have asked us to provide you with guidelines for your stay during the tournament. Please remember that you are ambassadors of your hometown and organization and your behavior is a direct reflection on the community you represent. If any issues should arise during your stay that would result in the authorities being called or the team being kicked out of the hotel, Travel Champs reserves the right to bar your participation in further tournaments pending the results of an inquiry into said situation.**

To assure that all of our guests, and other guests in the hotel, enjoy their stay, please observe the following:

1. No discounts, coupons, or other hotel rates may be used by tournament guests.
2. Traveling teams must stay **together** at one of our partner hotels for a minimum of 2 nights.
3. During the tournament lead-up, pick up numbers will be reviewed. If these numbers are not commensurate with where we believe they should be/much lower than your requested block, you will be contacted in order to provide details for the low booking numbers. If this would happen to be an attempt to circumvent our hotel policy, Travel Champs reserves the right to remove your team from the tournament with no refund to your registration fees, as well as remove you from future tournaments.
4. Tournament Room Rates may not be available before and/or after the tournament dates. The hotel's current prevailing room rates would apply. Hotels may be willing to honor that rate for a day or two before or after the event, but we cannot promise that to be true.
5. Cancellations are handled on a hotel by hotel basis. The agreement that you signed with your hotel should easily describe the cancellation policy.
6. Guests checking out earlier than their originally scheduled departure date are subject to hotel charges, up to and including a full room night charge.
7. All children under the age of 16 must be in a guest room after 11:00 pm. After this time, children are not permitted in the hallways or common areas of the hotel.
8. No hockey sticks of any kind (ice hockey, knee hockey, etc.) are permitted in the hotels.
9. "Hall Hockey" and "Knee Stick Hockey" will not be permitted in the hotel. Please do not bring knee hockey sticks into the hotel.
10. Children under 10 must be accompanied at all times in the hotels, including common areas and swimming pools.
11. In the event of any damage to hotel property, parents and/or the team's representative will be held responsible to compensate the hotel for any loss. (In the event of physical damage, the individual will be billed for the actual cost of the repairs and/or replacement of the damaged items and the related labor costs.)
12. No running in the hotel hallways or common areas.
13. Please use the telephone system responsibly. The hotels reserve the right to deactivate telephones if they are misused.

14. Hotels will provide only one warning when violations of the rules, including misuse of elevators, excessive noise or unruly behavior are observed. Continued disruptive behavior could result in removal from the hotel premises. No refund of hotel or tournament registration fees will be made in this case.
